91. **To consider public artwork for the former Premdor site and locations**

Mrs. A. Turnbull reported that Mr. T. Ward and herself had been working with Bloor Homes and carried out research into the history of the site and village. They produced designs for benches, waymarkers and railings, which all capture the history of the site and village and in particular the 'Ripper' legacy. These designs were perused by Councillors and following the deletion of the 'Bluebell' design to be replaced by a mirror image of the 'Swan' design and the addition of poppies on another design, they were approved. Following amendment the designs will be emailed to the Clerk to forward to Councillors.

It was understood that the watercourse had been exposed and it was agreed to arrange a site visit with Bloor Homes for about mid August 2014 to view the watercourse, new roads, the development and to consider the best locations for the artwork.

The Chairman thanked Mrs. Turnbull and Mr. Ward for attending the meeting and for their designs.

92. **Update upon the supply and installation of the chimney sculpture**

A progress report from Thrussell and Thrussell dated 17<sup>th</sup> July 2014 had been forwarded by the Clerk to Councillors on 18<sup>th</sup> July, 2014 and the contents noted.

There being no further business the meeting closed at 8.15pm.
